**UPPER CHESAPEAKE HEALTH IS LOOKING  
FOR VOLUNTEER DRIVERS WITH 4-WHEEL DRIVE VEHICLES**

In anticipation of the snowfall forecasted for this weekend, Upper Chesapeake Health is updating its roster of volunteer drivers to be called upon to transport essential healthcare providers in the event of severe weather. If you have a four-wheel drive vehicle and are willing to transport doctors, nurses, technicians and others to either Harford Memorial Hospital in Havre de Grace or Upper Chesapeake Medical Center in Bel Air, please call 443-843-5314 (Harford Memorial) or 443-643-2444 (Upper Chesapeake) to express your interest. Many thanks in advance for your help.
